Ethics in Animal Research Workshop

The Office of Research Integrity (ORI) cordially invites you to attend

**Date:** Thursday, February 25, 2016  
**Time:** 2:00 p.m.—4:00 p.m.  
**Location:** AHC 4—402 (Academic Health Center 4)

The purpose of the Ethics in Animal Research workshop is to provide researchers with an overview on the concepts of ethics as they apply to research, teaching and training with animal subjects; applying the concepts of the 3 R’s; how to report events, review case studies and discuss how ethical and responsible research is everyone’s responsibility. Please note this workshop fulfills training and continuing education requirements for Responsible Conduct in Research (RCR).

This workshop is optional training.

**To register for this workshop:** Please contact Elvia (Eva) Molina at molinae@fiu.edu or call (305) 348-0056.
