

Electronic Proposal Routing Approval Form (ePRAF):

***This form serves to collect information to draft/route an ePRAF

in PeopleSoft on your behalf***

The PeopleSoft ePRAF is the official institutional record of your responses.

- 1. Proposal Title:
- 2. Project Start Date:
- 3. Project End Date:
- 4. Location of Project (Office or Lab Room #):
- 5. Name of Sponsor:
- 6. Funding Opportunity Number:
- 7. Grant Type:
- 8. Is this related to COVID-19?
- 9. Center and Institutes: If this proposal is associated with a Center or Institute, please enter it below. If no response is provided this project will default to the PI's Home Department for account setup and reporting purposes:
- 10. If this proposal is associated with a Preeminent or Emerging Preeminent program, please enter it below. This field may be left blank if this proposal is not associated with a Preeminent or Emerging Preeminent program.
- 11. Project Team F&A Share % Distribution of PI's F&A return:

| Name | Project Role | F&A Share % * |
|------|--------------|---------------|
| | | |
| | | |
| | | |
| | | |
| | | |

This is the PI's Facilities & Administrative (F&A) return that will be shared among the project team members.

 *Layman's Proposal Description (up to 4,000 characters). Provide a brief description geared towards the general public about your proposed project.

 Main Section
 Comment(s)

 1.
 Does the agency forbid Facilities and Administrative (F&A) Costs? If so, please check 'Yes' and attach documentation.
 Comment(s)

 2.
 Is this proposal a result of a previously executed Non Disclosure Agreement or Teaming Agreement?
 —

 3.
 Will this proposal span across multiple colleges? If so, please check 'Yes' and indicate F&A percentage split between colleges in the comment box.
 —

| 4. | If funded, would you permit the Office of Research & Economic | | |
|----|---|--|------------|
| | Development to include your proposal as part of the successful | | |
| | proposal collection? The proposal collection is used as a reference for | have at the | |
| | other faculty members interested in pursuing external funding. (Note: | | |
| | | | |
| | The file will be password protected so only FIU faculty can access the | | |
| | information.) | | |
| 5. | If this project is funded would you be willing to provide research | | |
| _ | opportunities to undergraduate students? If yes please indicate in the | kan a tak | |
| | comment box whether such opportunities would be paid or unpaid. | | |
| _ | | | |
| 6. | Did you disclose on the sponsor's current and pending support form (or | | |
| | similar other form which may be required by the sponsor) all financial | | |
| | resources, whether federal, non-federal, foreign, commercial or | lass a los | |
| | institutional, available or to be provided in direct support of project | | |

| | the work on this project? (refer to "IRE Assessment Process" at | |
| 12. | https://research.fiu.edu/ire/ to determine if this project requires IRE | |

| 21. | Have all Employees on this proposal completed their outside activities and financial interests disclosure form via the HR electronic disclosure portal pursuant to the FIU Conflict of Interest in Research policy #2370.005? An 'Employee' includes all Key Personnel listed on this ePRAF and anyone engaged in or responsible for the design, conduct or reporting of the proposed research. Disclosure is required by September 30th annually and also within 30 days of acquiring any new outside activity or financial interest, including any Significant Financial Interests. Please see the FIU Conflict of Interest in Research policy #2370.005 for more details | | |
|-----|---|---------|--|
| 22. | Is there any conflict of interest in relation to this proposed project for any Employee who will be working on this project? If 'Yes', ORED may require further information and if the project is awarded, a management plan may be required to manage, reduce or eliminate the conflict of interest. | - Landa | |
| 23. | In order to comply with the requirements of Florida Statute Section 1012.977 each Employee on this proposal must complete the Award Action Report of Conflict of Interests of Employees Engaged in Sponsored Research Activities form on the ORED website at <u>http://research.fiu.edu/forms/</u>] and submit those forms to ORED as requested at award action stage. You are reminded that, pursuant to Conflict of Interest in Research policy #2370.005, you must report any newly acquired outside activity or financial interest, including any Significant Financial Interests within 30 days. As PI, do you acknowledge that you will ensure that the Award Action Report of Conflict of Interests of Employees Engaged in Sponsored Research Activities form is provided to ORED for each employee engaged in research on this project at award action stage? (Revised 06/03/21) Has any lobbying been done relating to this proposal? | | |
| 25. | Will anyone working on the project for FIU be permitted access to Florida public school grounds when Florida public school students are present OR have direct contact with Florida public school students OR have access to or control of Florida public school funds? If 'Yes', such person(s) must undergo Level 2 background screening as required by Florida law to work on the project. | | |
| 26. | Will the proposed project involve any collaboration with Miami-Dade County Public Schools (MDCPS)? Please note if a letter from MDCPS is required please follow the process outlined at <u>https://research.fiu.edu/documents/forms/proposal-preparation/MDCPS- Letter-of-Support-Guidance.pdf</u> | | |
| 27. | Will the proposed project involve or potentially involve classified or sensitive research? | | |
| 28. | Will the proposed project involve or potentially involve sensitive data (i.e. Protected Health Information, Controlled Unclassified Information, Personally Identifiable Information)? | | |
| 29. | Does a "relationship" as defined in the Office of Research & Economic Development Nepotism Policy exist among any project staff OR any project staff and other University employee(s)? If 'Yes' and project is awarded, PI will be required to complete the form found on the Nepotism Policy and provide copy of approved form to Office of Research & Economic Development before the award may be released. | | |
| 30. | Will this project require additional Insurance Coverage (equipment, foreign travel, etc)? | | |

| 31. | Is a Subcontract to another organization planned? If 'Yes', please attach a letter of collaboration and budget endorsed by an official of that organization for EACH subcontract. | |
|-----|---|--|
| 32. | Is Cost Sharing required? If 'Yes', please complete the Cost Sharing Form available at https://research.fiu.edu/forms/ | |
| 33. | Is this submission to a State University System of Florida Board of Governors (BOG) defined high value faculty award or fellowship program (list available at <u>http://research.fiu.edu/ored/high-value-faculty-awards-and-fellowships/</u>)? | |
| 34. | Is this project a clinical trial? If "Yes" and if you are submitting an application to an agency other than NIH, please attach the ePRAF Clinical Trials Form for Non-NIH Applications available at http://research.fiu.edu/documents/forms/proposal- preparation/ePRAF_Attachment_for_Non- <u>NIH_Clinical_Trials_Proposal.docx</u> . Please note that the NIH requires all staff involved in the conduct, oversight and management of NIH funded clinical trials to receive Good Clinical Practice (GCP) training. Additional details on CITI based GCP training to meet this NIH requirement is available at <u>http://research.fiu.edu/irb/training- requirements/</u> . | |
| 35. | Is this proposal being submitted to another sponsor? If 'Yes', please indicate which sponsor. | |
| 36. | Does the proposed project contain funding for graduate student's research assistantships? | Some and the second sec |
| 37. | Does the proposed project contain funding for graduate student's tuition? | |
| 38. | Is this proposal being submitted as an external fellowship request for a graduate student? ? If 'Yes', please submit the External Fellowship Information Form to the University Graduate School, available at <u>https://fiu.qualtrics.com/jfe/form/SV_ey6r8fC2bukU3uS</u> . If yes please be sure to select "STUDENT fellowship" as grant type on this submission. (added 7/7/21) | |
| 39. | Will the proposed application request funds towards the acquisition or development of shared research instrumentation with an acquisition value greater than \$25,000? | •••• |
| 40. | Do the research activities in your proposed application need computational computing resources (HPC, visualization, GPU processing)? If the answer to this question is yes, please visit https://ircc.fiu.edu/research/ for additional details. | |
| 41. | Do you anticipate that the research proposed in this project will lead to commercialization activities or industry collaboration? If so please provide additional details in the comment box. | |
| 42. | Does this project involve collaboration with StartUP FIU or the Office of Technology Management and Commercialization? | |
| L | | |

| 43. | Does this proposed project involve community-engaged research? (i.e., CEnR - research conducted in partnership with patients/clients, health service systems, community-based organizations, or other stakeholder groups). If yes please provide details in the comment box. (added on 1/30/23). | | |
|-------------------------------|---|--|---|
| 44. | Does the proposed project intend to conduct research off-campus or off-site? The NSF defines off-campus or off-site research as those projects where "data / information / samples are being collected off-campus or off-site, such as fieldwork or research activities on vessels and aircraft". If yes then the PI must upload into the ePRAF a proposal specific Plan for a Safe and Inclusive Working Environment for Off-Campus Research. A template plan is available at https://research.fiu.edu/forms/. If the project is awarded, the Plan should be provided to all personnel on the NSF funded project prior to departing for off-campus or off-site research activities (added on 1/30/23). | | |
| 45. | If this proposal is being submitted to the National Science Foundation (NSF), have all listed personnel in the proposal taken the NSF mandated Responsible and Ethical Conduct of Research (RECR) training course? If not all personnel listed in this proposal must take the RECR course within 60 days of submitting this proposal. If proof of successful course completion is not provided by award stage for all personnel listed on this application any resulting award will be placed on hold until RECR requirements are met. If this proposal is not being submitted to the NSF a "no" response with an "n/a" comment is acceptable. The RECR course is available at https://about.citiprogram.org/course/responsible-conduct-of-research-basic/. (added 07/03/23). | | |
| 46. | Will this proposal include any support for NSF sponsored conferences? If yes the PI must adhere to the NSF Special Conditions for Conference awards available at https://www.nsf.gov/awards/managing/special_conditions.jsp. This includes providing to all participants a code of conduct prior to the event. Please visit https://research.fiu.edu/discrimination-harassment- and-sexual-misconduct/#nsf for further details.(added 04/01/24). | | |
| 47. | Does the project require the use or acquisition of an Unmanned Aerial Systems (UAS)/drone? If yes, a review of the intended UAS usage will be conducted at award stage in accordance to the State of Florida Cybersecurity Standards 60GG-2. (added 04/01/24.) | | |
| Spa | ce Required | | Comment(s) |
| 1. | Will this project use any Off-Campus Facilities or Site? | | |
| | Will more than 50% of FIU's proposed work be conducted/located Off- Campus? | | |
| | Do you or someone related to the project have access to all the project space required? | | |
| | itional Space Required | | |
| requ requ Pleas Vice | e project will require additional space not specified above, please provide a bi ired below. Pertinent information includes what space will be used for (Office ired and any special equipment/installations required (fume hoods, special ex se note that arrangements for Additional Space need to be made with and app President for Research. Inment(s): | , Lab, Classroom, xhaust, 220 volt ou | etc), square footage utlets, etc) at the location. |
